

Tahoe Young Professionals raising awareness about Christmas Cheer

What do you get when you combine networking, local charity, and a bar with karaoke – a Tahoe Regional Young Professionals' August FUNdraiser at Murphy's Irish Pub on Aug. 25 at 7:30pm.

It is a benefit Christmas Cheer All Year, the food bank in South Lake Tahoe.

The outdoor patio will feature an evening of karaoke and giving back to the community.

TRYP is a new organization created to connect Tahoe's next generation, while helping the Lake Tahoe community. The young professionals encourage people to bring any type of donation for Christmas Cheer, including cash, non-perishable items like canned food, rice, soups, vegetables or even toys gearing up for the holidays. Cash is the easiest item for them since they use it to buy from the Nevada Food Bank.

In addition to Murphy's offering a venue for this event, the South Lake Tahoe restaurant will write a check to Christmas Cheer.

Next month, the group will organize a TRYP mixer, incorporating a full moon hike/stroll on Sept. 12. In addition, they'll pair up with Great River Sierra Cleanup to help collect trash around the Lake Tahoe Basin on Sept. 17.

For upcoming events with TRYP, find them online or email tahoetry@gmail.com.
