

Cancer League opens annual store to sell See's Candy

For almost 30 years the South Lake Tahoe Cancer League, an all-volunteer organization, has been providing permanent residents facing the challenge of cancer with free transportation to physician offices for cancer treatment and making limited financial grants to cancer patients. The annual See's Candy sale is one of its biggest annual fund raisers.

The candy store is open daily from 10am-5:30pm through the holidays.

The store is located adjacent to the Grocery Outlet at 2358 Lake Tahoe Blvd.
