

CHP class for teen drivers in South Tahoe

Start Smart is aimed at helping newly licensed and future licensed teenage drivers become aware of the responsibilities that accompany the privilege of being a licensed California driver. The program was created in an effort to pre-emptively reduce the incidence of teen injuries and deaths resulting from motor vehicle collisions.

Teen drivers and their parents/guardians are invited to attend and participate in a Start Smart class Nov. 8 from 6-8pm at the South Tahoe High School library.

Recent statistics have shown that in California teenage drivers are injured and are dying in automobile accidents at an alarming rate. Through candid conversations, officers in attendance will address these facts and provide examples of driving tendencies that put young drivers at risk. This program will help you understand that driving is serious and a poor choice behind the wheel of a car can put your life and the lives of others in jeopardy.

To reserve a space in this Start Smart Class contact the California Highway Patrol at (530) 577.1001.
