

Leonids Meteor Shower

Once a year, the Lake Tahoe Basin's night sky erupts with a flurry of shooting stars – the Leonids Meteor Shower.

Tahoe Rim Trail Association, Tahoe Institute for Natural Science and Space Science for Schools is having an event Nov. 17 from 7-9pm. It is a free, family friendly gazing party.

Bring your lawn chairs, warm blankets, winter jacket and hat, snacks and hot chocolate. Minimal hiking involved. (Directions to the trailhead will be provided upon registration for this event).

You must register in advance online.

For more information, call (775) 298.0012 or email Tom at programs@tahoerimtrail.org.

This event is subject to cancellation due to a cloudy or snowy weather forecast. Registrants will be notified via email.
