

Final winner picked for Festival of Trees and Lights

Karen Bender (and five people she chooses to take) is going to the Dec. 2 Family Night during the annual Festival of Trees and Lights on the South Shore.

Lake Tahoe News in collaboration with the Barton Foundation is giving away four packages of tickets to Family Night. The package includes tickets for six people to the festival and a group picture with Santa.

Thank you to everyone who participated. For those who did not win, tickets are available for purchase.
