

South Lake Tahoe to light holiday tree, menorah

Lake Tahoe Visitors Authority winter tree lighting is Dec. 2 from 5-7pm at the South Lake Tahoe Senior Center (3050 Lake Tahoe Blvd.).

Instead of standing outside the cold like years past, people will be able to take refuge inside the senior center and Tahoe Art League Gallery.

Free sleigh rides will be offered by Borges Sleigh Rides.

Disc jockey Derek Tarpey will spin holiday tunes, while the South Lake Tahoe Children's Choral Society provides live music.

Tours of the Lake Tahoe Historical Society Museum and 1930s Log Cabin will be available.

The community menorah will also be lighted.

Bring a camera to take photos with Santa inside the South Lake Tahoe Senior Citizens Center or in front of the Lake Tahoe Historical Society Museum's Victorian Tree.

Food and toy donations will be collected for Christmas Cheer and Caps For Kids.
