

USFS to begin 2 prescribed burns today

U.S. Forest Service fuels management crews are scheduled to resume prescribed fire operations on Kingsbury Grade near South Shore and on the West Shore near the Tahoe Heights area today.

Both project areas are small, approximately 2 acres. Operations may continue through the week.

Residents and visitors can expect to see smoke from these prescribed fire project areas. Smoke may be visible on Kingsbury Grade and on Highway 89 on the West Shore. The Forest Service strives to minimize the impacts of smoke on local communities. Smoke-sensitive residents should consider staying indoors and keeping doors, windows and outside vents closed.
