

Panda experience to be retold by Tahoe resident

Tahoe local Jenn Mendonca will share the details of her recent journey deep into the mountains of China's Sichuan Province to visit a secluded panda sanctuary with her daughter.

Join members of the South Lake Tahoe branch of the American Association of University Women for this heartwarming glimpse into the lives of these rare and endangered animals on Jan. 14 at 10am in the Aspen Room at Lake Tahoe Community College. This event is open to the public.

An optional continental brunch will be available for a small donation and an RSVP is requested.

For more information, call Candy Kelly at (530) 541.2799 or email Christy Slocum at slocumsrus@msn.com.

And if you can't attend the event, you can relive *Lake Tahoe News'* experience with pandas from earlier this year.
