

USFS prescribed burn this week near Tahoe City

U.S. Forest Service fuels management crews are scheduled to begin prescribed fire operations in the Tahoe City area Dec. 13. Operations may continue through the week.

Residents and visitors can expect to see smoke from the prescribed fire project area. The Forest Service strives to minimize the impacts of smoke on local communities. Smoke-sensitive residents should consider staying indoors and keeping doors, windows and outside vents closed.

To directly receive prescribed fire updates, send an email to pa_ltbmu@fs.fed.us.

Forest Service staff will post road signs around areas affected by prescribed fire, and update the local fire information line at (530) 543.2600, No. 6.

Other federal, state and local fire management agencies may also be conducting prescribed fire work during this period.
