

Fire destroys house in Incline Village

An alert neighbor helped keep a residential fire in Incline Village from spreading beyond the lone structure on Wednesday.

North Lake Tahoe Fire Protection District officials said the cause of the fire at 665 Country Club Drive is still being investigated. The loss has not been quantified in dollars.

The neighbor reported seeing smoke at 3:40pm Jan. 18.

Tahoe Douglas Fire Protection District and Sierra Fire Protection District also responded.
