

Snowshoe through state park

California State Park interpretive specialist Lindsay Harbison will be leading a snowshoe through history hike along Lake Tahoe's West Shore at Ed Z'berg Sugar Pine Point State Park on Jan. 28.

This easy tour explores the parks' lakefront and the grounds of the historic Hellman-Ehrman estate. Learn about the natural environment that attracted Tahoe's earliest settlers and explore the history of this Tahoe landmark.

The snowshoe starts at 11am and begins near the restrooms in the day use side of the park (lake side entrance off Highway 89). The program lasts approximately 1½ hours.

The program is free. There is a parking fee of \$8 per vehicle.

Bring water, snacks and snowshoes.
