

2 Truckee residents jailed on multiple drug charges

Two Truckee residents were arrested this week on drug charges after a four-month investigation.

Conrado Rodriguea-Quintero was arrested on charges of possession of narcotics, sales of cocaine, criminal conspiracy, and child endangerment. Salvador Ruvalcaba-Munoz was arrested on charges of sales of cocaine and criminal conspiracy. Both booked into the Nevada County Jail on Feb. 7.

Truckee police detectives recovered one-half pound of cocaine packaged for distribution, along with \$10,000 in cash. The cocaine was located in an area of the residence that was accessible to children living at the residence, officers said.
