

Slopestyle rail jam at Heavenly

Heavenly Mountain Resort is teaming up with Nike Snowboarding to host the fifth stop of the Nike Winter Chosen Tour on Feb. 4.

The slopestyle rail jam will take place from 4-7pm on World Cup.

Nike's Winter Chosen consists of two components: a video crew competition, in which riding and filming crews enter online for a chance to travel to Austria and compete with professional riders and videographers, and the Night Jam, a freestyle slope session featuring production lighting and local and professional snowboarders competing for \$5,000 in cash prizes.
