

Wild & Scenic Film Fest coming to Stateline

The 7th annual Wild & Scenic Film Festival returns to MontBleu in Stateline on March 9 at 7pm.

With a growing public awareness for the environment, the Wild & Scenic Environmental Film Festival producers say the aim is to increase awareness through inspiring and educational films, which hopefully will motivate people to go out and make a difference in their community and around the world.

Hosted by the Sierra Nevada Alliance, Patagonia, and the South Lake Tahoe Earth Day Committee, the Wild & Scenic Environmental Film Festival combines award winning environmental and adventure films with the energy of local activism.
