

Hands-on science expo for students and adults in Incline

UC Davis's Tahoe Environmental Research Center in partnership with Lake Tahoe School and Tahoe Expedition Academy will host the seventh annual Science Expo this month.

The Science Expo features interactive experiments and demonstrations for children ages 6 to 12 and their families.

The Science Expo is open to the general public on March 14 from 4–6pm at the Tahoe Center for Environmental Sciences in Incline Village. Ice cream will be provided by Susie Scoops of Incline Village. Admission is free.

The 2012 Science Expo will showcase 20 hands-on exhibits, activities and demonstrations emphasizing Life Science concepts including:

Different forms of life

Microorganisms

Nano-, micro- and macro-scales of life

DNA

Plankton

Fish of Lake Tahoe

Metamorphosis

Photosynthesis

Pollen, seeds and plants

And much more.

Last year, nearly 700 people, students and parents, came through the Science Expo event. The event is hosted annually on a three-year cycle with emphasis on Life Science (2012), Physical Science (2013) and Earth Science (2014).

This year, students from Kings Beach, Incline Village, Tahoe City, Truckee and South Lake Tahoe will be attending during the school days of March 12-15.

The Tahoe Center for Environmental Sciences is located at 291 Country Club Drive in Incline Village.
