

S. Tahoe has money to loan for home repairs

South Lake Tahoe has low interest amortized or deferred payment loans available to eligible owner-occupied single family homeowners.

The Housing Rehabilitation Program has financing available for: roof repairs, heating, plumbing, flooring, insulating and more.

The loan terms are based upon an applicant's income, personal circumstances and ability to repay.

This program is available to those who: have a home located within the city limits and meet the eligible low income requirements.
