

Snowshoe event on North Shore

Alpenglow Sports is partnering with Tahoe Institute for Natural Science to bring a unique type of guided snowshoe to the North Shore. The tour will last approximately three hours and will focus on winter survival strategies of the flora and fauna found throughout Page Meadows.

Meet at Alpenglow in Tahoe City on March 31 at 10am. Bring warm clothes. Participants will carpool to Page, leaving about 10:30am. The hike is free, but space is limited to 25 slots. Preregister by emailing will@tinsweb.org.
