

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Adriana is a special little kitten. She is very friendly and energetic, and wants to be around people and other cats as much as possible.

She has very pretty blue-gray fur, and is quite playful. You would never know that Adriana is blind based on the way she gets around and likes to explore. She has been blind from birth.

She will make a very nice pet in a home where only minor accommodations are needed.

Adriana is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go to Pet Finder to see photos and descriptions of all pets at the shelter.
