

Douglas County Library to honor volunteers

The Douglas County Public Library in Minden will be honoring the contributions of its volunteers at a reception on April 17 in the library.

The staff has chosen National Volunteer Week to celebrate its more than 100 volunteers. From putting away books to assisting with the Summer Reading Program, they play a vital role in the library's success. Details about the various tasks they perform will be on display in the library throughout the month of April.

The Douglas County Public Library is located at 1625 Library Lane in Minden.
