

in the jurisdiction where the TAU resides to decide if they can be transferred.

Edgewood will use those TAUs as it goes forward with building the Edgewood Lodge near the lakefront of the Stateline golf course by the same name.

The draft environment impact statement for the lodge project is in circulation, with comments being taken until June 18.

The project will be before the TRPA Advisory Planning Commission on May 9 and on the Governing Board agenda on May 30.

For more information about the lodge and how to comment, contact Theresa Avance at the TRPA – (775) 589.5224.

As for the park, it will include a children's play area, grass play area, picnic pods, basketball court, and a horseshoe toss. It will also include solar lighting, recycling containers, low flow irrigation and a native demonstration landscape planting material.
