

CHP offers class for teen drivers

Start Smart is aimed at helping newly licensed and future licensed teenage drivers become aware of the responsibilities that accompany the privilege of being a licensed California driver. The program was created in an effort to preemptively reduce the incidence of teen injuries and deaths resulting from motor vehicle collisions.

Teen drivers and their parents/guardians are invited to attend and participate in a Start Smart class. Recent statistics have shown that in California teenage drivers are injured and are dying in automobile accidents at an alarming rate. Through candid conversations, officers in attendance will address these facts and provide examples of driving tendencies that put young drivers at risk.

The next class is May 29 from 6-8pm at South Tahoe High School library. All classes are free and last approximately two hours.
