

CPR for Business – a class for individuals, groups

Third Alarm – an organization comprised of retired firefighters turned public speakers – will present CPR for Business on May 17 from 7-8pm at the Lake Tahoe Visitors Authority office in Stateline.

The free event is put on by Tahoe Regional Young Professionals.

Third Alarm principles and solutions are designed to improve individual, team and organizational performance in the areas of accountability, best practices, customer service, morale, motivation, productivity, teamwork and work ethic.

Following the professional development, TRYP will mingle at Lakeside Inn and Casino and Latin Soul.
