

# Cycle the Sierra

Cycle the Sierra is an annual cycling event that takes place between the Gold Country and Lake Tahoe.

This fully supported, five-day tour starts June 23 and takes riders 300 miles beneath granite peaks, through evergreen forests, into alpine hot springs, to Lake Tahoe, over the fourth highest bridge in the United States, to the site where gold was discovered starting the California Gold Rush, and through numerous unique and historical communities along the way.

Each day is 50-70 miles.

At night cyclists camp under the stars. Camps feature a beer garden, stage with live music, food, massage therapists, yoga sessions, bike mechanics and 300 other cyclists.
