

Free seminar on estate planning

What will happen to your children, your business or finances if you are not around? Will your assets go to the people you want? Do you have creditor protection for yourself and your beneficiaries?

Barton Foundation is sponsoring a free presentation by Julia Gold, tax and estate planning attorney, to learn how to protect assets and secure your children's future if you are not around.

The event is May 31 from 5:30-7:30pm at Kahle Community Center in Stateline.

Space is limited. RSVP to jeane@parasol.org or (775) 298.0184.
