

Genoa trail system to open next weekend

The grand opening of the 16-mile Genoa Trail System is May 12 from 10-11am.

This free event is at the Eagle Ridge Trailhead, located near the green water tank, about 1.8 miles north of Genoa off of Jacks Valley Road on Eagle Ridge Road.

Carson Valley Trails Association member Jeremy Vlcan will brief guests about the new trails.

Informational displays and maps will be available. After the briefing, guests are invited to participate in a 4-mile guided hike from Eagle Ridge to Sierra Canyon.

The Genoa Trail System was funded by a Nevada Division of State Lands Question 1 grant.
