

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Portia is a sweet girl who was abandoned on the shelter doorstep with a note that said she was 6 years old.

She is a little scared here at the shelter, but she is very gentle. Portia is a dilute Calico who has been at the shelter since February, and she would very much like to go home.

Portia is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
