

# Truckee area horse camp has classes for all abilities, ages

This summer, Piping Rock's equestrian camp will give children the opportunity to connect with horses and nature under the supervision of a CHA certified trainer. The instruction at Piping Rock Equestrian Center develops a comprehensive understanding of horses through an array of unmounted activities, including grooming, hoof care and lunging.

Camp sessions will be offered in one week increments from June 18 through Aug. 24.

For more information about camp levels, session times, and enrollment fees go online or call (530) 582.6780.
