

Golf event benefits South Tahoe Cancer League

South Lake Tahoe Moose Lodge No. 1632, along with Sierra-at-Tahoe and Harrah's-Harveys Lake Tahoe are sponsoring the 7th annual Longest Day of Golf on June 20.

Tahoe Paradise Golf Course has committed to helping this community fundraiser by donating the course for the entire day. Golfers will start at sun rise and play as many holes as they can before sundown.

Last year, the golfers played 125 holes and raised more \$12,000 for the South Tahoe Cancer League. Every dollar raised stays in town to provide financial assistance to local cancer patients.

Consider pledging on a per hole basis or a flat dollar amount. Send tax-deductible donations to either Angie Keil or Greg Kuntz at SLT Moose Lodge No. 1632, 961 Eloise Ave., South Lake Tahoe, CA 96150.
