

Neil Young & Crazy Horse to rock Lake Tahoe

Harveys Lake Tahoe and Another Planet Entertainment are bringing rock 'n' roll legends Neil Young & Crazy Horse to the Outdoor Arena at Harveys on Aug. 9 at 8pm.

Crazy Horse is considered by many to be Neil Young's best band, especially live in concert. They have not toured together since 2004. The band just released

"Americana", their first new CD in nine years.

Neil Young & Crazy Horse are performing only four shows in August before their scheduled North American tour begins in Canada in October. Young along with longtime Crazy Horse members Frank "Poncho" Sampedro, Ralph Molina and Billy Talbot comprise the band.

Tickets for Neil Young & Crazy Horse go on-sale June 22 at 10am through all Ticketmaster locations.

Tickets are \$59.50, \$89.50, \$125.50 and \$150.50 plus applicable service charges.
