

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Is this photo of Rudy or Tigger? It's hard to be sure, since these orange kittens look so much alike.

These very cute little boys have only been in the shelter a few days, and they probably won't be here much longer. They are very playful and energetic, as you might expect. If they are adopted by the time you make it to the shelter, please consider one of the other many cats at the shelter who are waiting for their new homes.

Rudy and Tigger are neutered, microchipped, and vaccinated. They are at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
