

What is the future of Lake Tahoe Airport?

Lake Tahoe Airport's future could be decided this year when the 1992 Settlement Agreement expires in October.

What is the Settlement Agreement?

Why was there an agreement?

Is commercial air service the answer?

How can the environment and the economy be equally weighted when discussing this airport in South Lake Tahoe?

Answers to those questions will be answered by *Lake Tahoe News* in a three-part series beginning July 5.
