

Sample the Sierra celebrates regional food and wine

Imagine sipping a big, bold El Dorado County wine, perfectly paired with fare from the region's best chefs, prepared with fresh seasonal produce grown within a 100 miles from where you stand. This is what Sample the Sierra is all about.

Now in its third year, this farm-to-fork festival celebrates food, wine, and art in the Sierra Nevada.

The event is Sept. 2 from 1-5pm on Ski Run Boulevard in South Lake Tahoe.
