

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Donny is a great all around dog. We can't figure out why his owner didn't come looking for him.

He's very sweet and calm, likes other dogs, and is house trained.

Donny is about 5-years-old, may be a cattle dog-Shepherd mix. He weighs about 50 pounds, just the right size. He walks nicely on the leash, but he seems to be just as happy curled up at your feet.

Donny is neutered, microchipped, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
