

Incline experiencing rash of residential burglaries

Incline Village residents have been reporting people entering their homes while they are at home.

Washoe County sheriff's deputies have put out an alert to residents about a series of residential burglaries that started Sept. 1. They are usually during the early morning hours.

The suspects are entering through unlocked doors and window.

Anyone with information or who sees suspicious activity is asked to call (775) 785.9276.
