

# **Letter: Thanks given to Tahoe Improv Players**

**To the community,**

Unity at the Lake would like to express appreciation to the Tahoe Improv Players for a successful fundraising event.

The troupe's improv games, led by Gerry Orton, brought out uproarious laughter to a packed house. A good time was had by all.

Thank you Tahoe Improv Players.

Unity at the Lake is a safe and sacred community that honors people of all faiths and welcomes everyone, wherever they are on their spiritual journey.
