

Sierra-at-Tahoe recognized as a top terrain park resort

For 12 years *TransWorld Snowboarding* has been ranking the best overall resorts, parks and pipes in North America. This year the magazine ranked Sierra-at-Tahoe among the Top 10 Overall Resorts, Terrain Parks and received the editor's pick for Best Value.

Sierra has been recognized six of the past 10 years in *TransWorld Snowboarding* and for the third year in a row has been ranked as one of the Top 10 Overall Resorts.

The resort poll ranks mountains based on mountain features such as parks and pipe, terrain, and other areas including vibe, snowfall, lodging, value, and food. Each year *TransWorld* readers are polled to rank their three favorite resorts based on their overall experience.

The 2013 resort poll ranked Sierra Resort as the sixth best overall mountain in North America and fifth best park.

Sierra was recognized as the fifth best terrain park in the nation, earned by scoring high in specific categories like jump and rail design, grooming, variety of features, overall vibe, and park challenge.
