

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Clack is a nice cat who has been at the shelter for several months. We'd really like to find him a good new home.

He is a Manx and has a very short tail. He will chase dogs, and so should not go to a home with a dog. But that's his only vice.

He likes other cats, and came to the shelter when his owner died. (The shelter currently has five Maine Coon cats, so if you're looking for a large furry feline, now is the time to adopt.)

Clack is neutered, microchipped, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go online to see photos and description of all pets at the shelter.

Call (530) 573.7925 for directions, hours, and other information on adopting a pet.
