

Letter: Asking S. Tahoe for help with snow removal

To the community,

This letter is addressed to whoever is responsible for snow removal along the bike path on Al Tahoe Boulevard. Could the residents of Pioneer Village get the snow cleared at one of the two marked crosswalks that lead from the bike path to our area?

The crosswalks are marked by signs and road paint. If you (the operator) could spend a couple of minutes to clear us some access, we would really appreciate it. Myself and a lot of my neighbors (yes we have neighbors) use the path during the winter to get out and walk with our kids, dogs and each other.

Thanks.

John Spinoła, South Lake Tahoe
