

Letter: Generosity made for memorable event

To the community,

Barton Home Health & Hospice would like to thank Inn by the Lake, especially Dan Garrison and Rich Bodine, for providing their meeting space for the Light Up a Life ceremony.

Without your kindness, this event would not have been possible.

Also, thank you to everyone in the community that attended and braved the elements for our first outdoor ceremony to take a moment to remember those we have lost.

May the season bring you comfort, joy and peace!

Rebecca Phillipsen, Barton Home Health & Hospice
