

Letter: Thanks to community from TACCD

To the community,

I would like to take this opportunity to send my personal thanks out to those wonderful people who supported our Disability Awareness & Employment Month celebrations and fundraisers.

Restaurateurs Paul and Judy Bruso from Ernie's, Dan and Tai from Passaretti's, Kelly from Steamers, Manuel from Taqueria Jalisco, and George from Jalisco Grill, were so generous in their support, providing a day to fund raise in their restaurants.

Sincere thanks also go out to Danny from the Pine Cone Acre Motel, Seth from Raley's at the Y (for all the food and supplies), Gia and the rest of the gang from KRLT/KOWL, the Tahoe Sierra Kiwanis Aktion Club members, and TACCD Secretary John Pillsbury for their help and support of our huge Treat Street Hot Dog Fundraiser.

Individuals who contributed to our organization's support also have our heartfelt appreciation: Lloyd and Susan Enos, Paula Foley, B. Gorman, David Jinkins, David Kurtzman, and Liberty Energy.

I am sincerely grateful and look forward to continued support from these long-time backers and any new benefactors who support our advocacy for senior and disabled residents during the upcoming year.

Most Sincerely,

David Kelly, president TACCD (Tahoe Area Coordinating Council for the Disabled)
