

Kiwanis organizing Community Fair in S. Tahoe

Plans are in place for the inaugural Kiwanis Community Fair in South Lake Tahoe on Labor Day weekend (Aug. 30-Sept. 1).

Proceeds from the event will benefit Tahoe Turning Point, Boys & Girls Club of Lake Tahoe, Live Violence Free and Choices for Children.

The event is the brainchild of Kiwanis of Lake Tahoe President Rich Barna. "I wanted to put together an event that pulled the resources of multiple service organizations, that could keep growing, that directly benefits multiple youth-serving nonprofit organizations, and that is fun for everyone," Barna said in a press release.

The fair will be tied into the annual tent sale at the Heavenly California Base parking lots.
