

National Winter Trails Day explores Mt. Rose area

The Tahoe Rim Trail Association's sixth annual National Winter Trails Day extravaganza is Jan. 12 from 10am-3pm.

Participants may register for a snowshoe hike, learn about snow core sampling, receive helpful winter safety information, demo gear, craft their own snow shelter and be a potential raffle prize winner.

The festivities will be in Tahoe Meadows just off Mount Rose Highway.

To participate, contact Hayley at (775) 298.0238 or programs@tahoerimtrail.org.

Free guided snowshoe hikes from Tahoe Meadows to the Tahoe Meadows Overlook and surrounding areas will take place throughout the day. Each hike has its own theme and guest interpreter.
