

Dogs to race through snow in Truckee

On March 10, Snowfest returns to Tahoe Donner with the ninth annual I-Did-A-Run event.

Due to construction at the Lodge Restaurant & Pub, this year the event will take place at Tahoe Donner Downhill Ski Area.

Dogs of all shapes and sizes will compete in this timed dog pull race. The event pits dog against dog and clock while pulling covered wagon sleds over a snow-covered course. Prizes are awarded for various divisions as well as the overall winner.

Sign up is from noon to 1pm and the field is limited to 40 dogs.
