

Free snowblowing for military families in S. Tahoe

Alpine Smith Inc. of South Lake Tahoe will participate with snowplow and landscape professionals from across the country by donating services and time to ease the burden on military families seeking help on the home front.

SnowCare for Troops is a national program underwritten by The Boss.

Alpine Smith urges interested military families to register in the SnowCare for Troops program by calling them at (530) 541.0250 or email info@alpinesmith.com. Along with the participation of Alpine Smith, Inc., there are many opportunities for the community to get involved, including loaning snow removal equipment to volunteers or groups, and donating money, transportation or gas cards to offset snow removal and maintenance costs.
