

STHS basketball teams playing at home in postseason

The boys and girls basketball teams at South Tahoe High School will be hosting playoff games this week.

This is the first time in years for the Vikings to be playing at home in the postseason. For the boys, it's the first home playoff game since 2000.

The boys host Churchill County on Feb. 12 at 7pm. The girls entertain Truckee on Feb. 13 at 7pm.
