

Cold Creek controlled burn planned

U.S. Forest Service fuels management crews will resume prescribed fire operations in the Cold Creek area near South Lake Tahoe on March 19. Crews expect to burn approximately one-half acre.

Operations may continue through the week, weather and conditions permitting.

Residents and visitors can expect to see smoke from this prescribed fire project area. The Forest Service strives to minimize the impacts of smoke on local communities. Smoke-sensitive residents should consider staying indoors and keeping doors, windows and outside vents closed.
