

Expect smoke in Meeks Bay area

U.S. Forest Service fuels management crews will begin prescribed fire operations near the Meeks Bay area on March 27.

Crews expect to burn approximately 30 acres near Meeks Meadow. Operations may continue through the week, weather and conditions permitting.

Residents and visitors can expect to see smoke from this prescribed fire project area. Smoke may be visible on Highway 89. The Forest Service strives to minimize the impacts of smoke on local communities.

Smoke-sensitive residents should consider staying indoors and keeping doors, windows and outside vents closed. To directly receive prescribed fire updates, send an email to pa_ltbmu@fs.fed.us.
