

# 3-day basketball tournament on South Shore

Expect to see a lot of young basketball players on the South Shore during Memorial Day weekend.

South Tahoe Basketball Academy, a nonprofit run by people affiliated with South Tahoe High's girls' and boys' basketball programs, is partnering with Hardwood Palace to put on the May 25-27 tournament.

Grades 3 through 12 will participate.

South Tahoe Basketball Academy will donate all of its proceeds back to the local youth programs.

Games will be played at STHS, South Tahoe Middle School, Kahle Community Center, Bijou Community School, Tahoe Valley Elementary, Sierra House Elementary, and possibly Lake Tahoe Community College and South Lake Tahoe Parks and Recreation Center.
