

# CHP driving class for teens at STHS

Start Smart is aimed at helping newly licensed and future licensed teenage drivers become aware of the responsibilities that accompany the privilege of being a licensed California driver. The program was created in an effort to preemptively reduce the incidence of teen injuries and deaths resulting from motor vehicle collisions.

Teen drivers and their parents/guardians are invited to attend and participate in Start Smart class.

The next class will be April 23 from 6-8pm at the South Tahoe High School Student Union. All classes are free and last approximately two hours.

To reserve a space, contact the California Highway Patrol at (530) 577.1001.
