

# Rotary taking a day to help seniors

Tahoe Douglas Rotary Club is helping seniors on April 27.

As part of the Rotary at Work Day the group will go to seniors' homes and help them with such things as changing light bulbs, changing batteries in smoke detectors, yard work, and more.

Any senior who would appreciate such help is asked to call Dan Oaks at (775) 790.0330 or Tim Buscher at (530) 573.0575.
